An Essential Service on Campus

As an eligible student, you're automatically covered by one of the most important services on campus, the NSA Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Students in the doctor of naturopathic medicine program who are NSA members and who have provincial health care (e.g. OHIP) or equivalent primary health-care coverage are eligible, along with Boucher campus students.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.

See www.studentcare.ca for more details.
