The most popular coverage on campus

As a student at Bishop's University and a member of the SRC, you have access to one of your Students' Representative Council's most important services, the SRC Enhanced Care Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs, like vision care, dental care, and travel care abroad. International students are automatically covered by the Enhanced Care Dental Plan only. Visit www.studentcare.ca for more details on eligibility.

We invite you to verify if you're already covered by another plan (through an employer, parent, or spouse). If so, the student Plan can still be of interest to you, as you can be reimbursed the remaining eligible fees (partially or fully) through your secondary plan.
