

All you need to know about coverage changes

What if I'm already covered?

Reasons to stick with your student Plan:

- Your parent's insurance plan could stop covering you completely if you're a student over 21.
- You can combine plans to maximize your overall coverage—up to 100%.

When can I change my coverage?

Term 1 (enrolments and opt outs):
Aug. 23 – Sept. 29, 2021

Term 2 (enrolments and opt outs for new students only):
Jan. 3 – 28, 2022

Family enrolments

You can enrol your family (spouse and/or dependent children) each year by paying an additional fee, over and above your fee as a member of the Plan. Common law couples are eligible. Visit www.studentcare.ca for instructions.

+1 Add one dependant for
\$286.62
for full-year coverage*

∞ Add unlimited dependants for
\$573.24
for full-year coverage*

*Family enrolment fees for coverage from Jan. 1 – Aug. 31, 2022 for new Term 2 students are available online.

Opting out

1. Use the secure online opt-out processing system at www.studentcare.ca to opt out of the health portion, the dental portion, or the Plan in its entirety.
2. Upload proof of your alternative health and/or dental coverage (such as a copy of your benefits card or a letter from your parent's or spouse's employer). Provincial health care is not considered acceptable alternative coverage.
3. Look for the fee to be reversed from your student account shortly after the Change-of-Coverage Period.
