## An Essential Service on Campus

If you're a student at HEC Montréal and a member of the AEHEC, AECS, AEPC, or AEMBA, you have access to one of the most important services on campus: the Enhanced Care Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs, like vision care, dental care, and travel care abroad.

**If you're an international student**, you have access to the dental portion of the Plan only, unless you have a provincial health-care card (RAMQ). Visit [www.aseq.ca](http://www.aseq.ca) for more details on eligibility.

We invite you to verify if you're already covered by another plan (through an employer, parent, or spouse). If so, the student Plan can still be of interest to you, as you can be reimbursed the remaining eligible fees (partially or fully) through your secondary plan.
